

A Level / Level 3 Results Day: Thursday 14th August (8.00-10.30am)

Venue = Dining Hall

- Results available from 8am
- UCAS Clearing support and guidance if needed
- Careers Service support
- Friendly faces to celebrate with!

What happens if I can't collect my results on the day?

If you know that you will be away for Results Day or if you are unable to attend due to ill health / unforeseen circumstances, you should inform the school by emailing exams@holyhead.crst.org.uk.

The following options for the collection of results are available to you:

- We will be able to send your results to you by email on Results Day if you inform us of your preference for this (use the exams@holyhead.crst.org.uk to do so).
- You can nominate a family member to collect your results from school in person on Results Day, however, you will need to have completed a ['Permission to Collect' form](#) and returned this to the exams@holyhead.crst.org.uk email address (this form must be completed by the student using their Holyhead School account to access the form and email).
- You can collect your results from the school reception after Results Day. There will be reception staff on site from Wednesday 27th August.
- If you have not collected your results by Monday 1st September, we will send these to your home address by post. Please ensure that your address details are accurate on Arbor.

What happens with requests for remarks?

Examination remarks may be requested **by the school** for students within 2 UMS (Uniform Mark Scale) of the next grade, following a review of the original scripts by a subject specialist, however, these appeals can only be made with the signed consent of the student.

Where this situation occurs, students will be informed on the day and have already completed a JCQ (Joint Council for Qualifications) consent form. Without consent, the remark cannot and will not be requested.

Students who are not able to collect their results on the day will need to sign a consent form in person at a later date.

To manage expectations, requesting a remark of scripts does not automatically lead to a change in grade, in fact ***the vast majority of remarks see no change to results*** at a significant financial cost to the school.

It is for this reason that the school has placed a **limit of 2 UMS marks away from the next grade** on the appeals we send.

What should I do if I don't get into my first choice of university?

First, don't panic. On A level Results Day you will be able to speak to members of the Sixth Form Team about your options. You may wish to go through Clearing, or look to retake Y13 and sit the summer exams in 2026 to try to improve your grade whilst reapplying to university through UCAS. We will have a team of staff in school on Thursday 14th August to help to support you with your decisions and to assist with students wishing to apply to universities through the Clearing process.

I hope that you find this helpful, however, should you have any further questions that have not been answered in this document or through the information on the school website, please do not hesitate to get in touch via the Exams Office email address (exams@holyhead.crst.org.uk) and we will be happy to reply to these enquiries.
