

## Year 10 Mathematics

**Summer Term 2**  
Statistical Analysis

**Summer Term 1**  
Ratio and Proportion

**Spring term 2**  
Sequences and Algebraic Graphs

**Spring Term 1**  
Geometrical Reasoning  
Angles

**Autumn Term 2**  
Properties of Number

**Autumn Term 1**  
Algebraic Manipulation

## Year 10 Level 2 Further Mathematics

### Summer Term 2

Linear and quadratic inequalities,  
Matrices

### Summer term 1

Revision and Mock exams

### Spring Term 2

Rearranging formulae, Completing  
the square, Sketching quadratics  
and cubics

### Spring Term 1

Algebraic fractions, Factor  
theorem, Algebraic long division

### Autumn Term 2

Binomial expansion, factorising  
and solving quadratics and cubics,  
Indices

### Autumn Term 1

Product rule for counting, Surds,  
Functions
